# SERVICES

## Proven Expertise to Create a Seamless Wedding

### Wedding Planner

Wedding planner services are included in our wedding packages. Our weddings coordinators, Javier and Abigail, look after all wedding details personally to help make your day a perfect day. You're also welcome to bring your own coordinator if you prefer. Our planners will liaise with them to make sure everything goes according to plan.

### Flowers & Décor

We understand the importance of flower arrangements at your wedding, and we work with a florist on-site who will personally coordinate your arrangements, assisted by your wedding planner. Local flowers for your arrangements can include (but are not limited to) orchids, birds of paradise and gingers. Please be aware that color selection and availability may vary throughout the year. If there is a particular flower that you have your heart set on, but isn't available locally (such as roses) we will seek them out and import them, and will apply the additional charge to your package. Additional floral arrangements, outside of your wedding package, can also be supplied.

### Custom Décor

We also provide elegant décor that is easily customized to suite your unique style. Examples of some of the ideas you may want to consider include:

- Local flowers
- Conch shells
- Arch (with or without draped fabric)
- Folding or Chiavari chairs (white covers included)
- Palm leaf aisle runner
- Strung lights
- Candles
- Tiki torches
- Floor length white table linens

Of course all décor can be customized. For an additional fee we can easily arrange chair sashes, table runners or layovers in your preferred colors. You are also welcome to bring your own special pieces from home.

## Spa Services

The spa at Victoria House offers a range of massages, plus facials, manicures and pedicures for you and your wedding party. Personalized hair and make-up can be provided by a professional in the privacy of your room.

## Ceremony

Regardless of which venue you choose for your ceremony, your wedding package will include set up. Your wedding package will include a lovely yet simple setup (Fees apply for more elaborate décor and setup). We can also provide the following options for your convenience: folding or Chiavari chairs, local tropical flowers and décor, and a wireless microphone and sound system.

A cocktail hour can be also held on the beach for guests while the wedding party is having photos taken. This time can be completely customized to your taste and budget. Please note that cocktail hour set up, refreshments and service is not included in the wedding package price.

## Wedding Cake

The ceremonial cutting of the cake is a special moment at any wedding reception. Some of our packages include a small wedding cake that serves approximately 2-4 people. For a cake to serve a larger group, the cost varies depending on the cake's size and decoration. For an approximate cost we suggest calculating \$7.50 USD per slice. This brings the price of a beautifully made and decorated wedding cake for 20 guests to approximately \$150 USD before taxes.

Victoria House offers an extensive list of cake, filling and frosting flavors and options. We can provide you a complete list of cake options.

## Photography

We have worked with, and can recommend, local photographers to ensure your special day is captured in exquisite images. Their work can be viewed on their websites:

# PARTY & MUSIC

Usually parties will take place either on the beach or pool deck, conveniently near your reception.

We can recommend the following music options, depending on the size, musical preferences of your wedding party and guests:

- DJ with recorded music
- Guitarist
- Classical Strings
- Three-man steel band
- Reggae or Caribbean band
- Other live music (if available)

We also have an audio system available to rent for \$100 day should you wish to coordinate your own music selections.

Please note that all music must be discontinued by 9:30 pm in observance of quiet time at the resort. Unless your group has bought out the entire resort. In that case, then your group is welcome to head to Admiral Nelson's Bar for continued drink service and celebrating.

## THE DETAILS

### Marriage Officer / Legal

Included in your package are the services of a Justice of the Peace with whom Victoria House has worked with for the past 15 years. If you prefer a religious ceremony, a local pastor is also available.

For the marriage license, Belize law requires that you be in country for three days before the wedding ceremony. Originals of all official paperwork, such as divorce or widowhood, must be brought with you as e-mailed copies will not be accepted. Your passport is required for personal identification.

After you arrive at Victoria House, your wedding planner will take you to San Pedro to meet the Justice of the Peace and file the paperwork for your marriage license. After submitting the paperwork, we'll take care of the rest.

In the event you already have someone you would like to officiate your wedding, we'll arrange for a Belizean co-officiate to be present. The co-officiate signs all the paperwork required for the Belizean government to make your marriage legal in both the US and Belize.

### Bookings & Policies

Due to the intimate size of the resort, minimum stays are typically required for weddings depending on the size of the group and the season. For groups over 50, a resort buy-out is required. We invite you to contact our reservations office about minimum stay requirements for your group.

At the time of booking, a one night's deposit is due for the Bride and Groom (three night's deposit required during high season), as well as a 50% deposit on the wedding package. This package deposit is non-refundable for buyouts.

An adequate number of rooms for your guests will be reserved for 60 days at the time of your booking. The remaining room balances are processed 60 days prior to arrival (90 days in high season) and become non-refundable at that time.

## Additional Guest Information

- We offer a 6 person courtesy shuttle to San Pedro beginning at 10:30AM and every two hours after. The last shuttle into town is at 4:30PM.

## TESTIMONIALS

“ Our experience at VH 100% exceeded our expectations. ”

*When we decided to elope at Victoria House, we knew we would be starting our new life together in a beautiful, peaceful setting. However, our experience at VH 100% exceeded our expectations and was the experience of a lifetime! We cannot say enough about VH! Everything from booking our reservation with Marshall, to planning excursions with Jose and receiving impeccable service from Tony, Hugh, Justin and Roxy at the Admiral Nelson bar, Javier (our wedding coordinator) made our wedding the most special, stress-free day of our lives!*

*The grounds were absolutely gorgeous and the staff catered to our every need. We will cherish our VH wedding memories forever, we made life-long friendships during our stay, we truly received the royal treatment from staff and we cannot wait to return! I would not plan a wedding any other way than eloping to VH!*

- Bridget and Royal Webster

“ The wedding itself was everything I dreamed it would be. ”

*The wedding itself was everything I dreamed it would be...just my new husband, my son and daughter in law to be. The guitarist we arranged for was terrific, the justice of the peace gave the most beautiful tender wedding service and our photographer, Oli Ruso took the most incredible pictures we have ever seen. Now we have the most beautiful memories and we miss everyone at Victoria House who made our stay so special. We plan to come back to celebrate our first anniversary! Many many thanks to all who had a part in making our vacation/wedding/honeymoon so very special. We will never forget you!*

- Caren Forister-Smith

“ One of the most beautiful and romantic hotels in the world. ”

*The Victoria house in Belize is one of the most beautiful and romantic hotels in the world. We first visited 4 years ago when we were beginning to develop a serious relationship. When it came time to marry, we were certain that the Victoria House's amazing service levels would insure that our wedding would be easy and beautiful. We were right.*
